Brief Introduction

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

At Baryk Partners, we transcend conventional boundaries to redefine the landscape of customs compliance. With an unwavering commitment to excellence and a dynamic approach, we stand as a beacon of reliability for businesses engaged in global commerce.

Our commitment to excellence is fueled by a passion for customs and trade regulations, and a pursuit of optimal solutions for businesses worldwide. As a Customs Compliance as a Service (CaaS) company, we pride ourselves on delivering services that go beyond expectations, ensuring our clients not only meet compliance standards but also gain a competitive edge in the global market.

The Background

Baryk Partners emerged from the vision and expertise of its founder, Badwi Raashary, a distinguished professional with a robust background in customs regulation and international trade. The company's inception was driven by a recognition of the evolving challenges faced by businesses engaged in international trade and the need for innovative solutions to navigate the complex landscape of customs compliance. Badwi's journey began as a former Customs Superintendent, where he gained firsthand experience and insight into the intricacies of customs regulations. Throughout his career, Badwi encountered various inefficiencies and challenges within the customs compliance process, leading him to envision a more streamlined and effective approach. Motivated by a passion for international trade and a commitment to excellence, Badwi founded Baryk Partners with a clear mission: to redefine the landscape of customs compliance and empower businesses to thrive in the global marketplace.

Drawing on his extensive expertise and credentials, including professional courses and hands-on experience, Badwi set out to create a company that would deliver unparalleled service and value to its clients. Since its inception, Baryk Partners has remained steadfast in its dedication to innovation and excellence. The company's commitment to staying at the forefront of industry trends and leveraging cutting-edge technology, such as the development of CustomsFront, reflects its ongoing pursuit of optimal solutions for businesses engaged in international trade. Driven by a vision of empowering businesses to navigate the complexities of customs compliance seamlessly, Baryk Partners continues to make a significant impact in the industry.

Vision & Mission

Vision

At Baryk Partners, we aim to transform how businesses participate in global trade. We offer inventive solutions that simplify customs compliance procedures and enable organizations to excel in the international market. Our goal is to create a future where businesses can effortlessly navigate customs regulations, opening doors to growth and success worldwide.

Mission

Our mission is to empower businesses to attain compliance excellence and secure a competitive advantage in the realm of international trade. Our dedication lies in providing exceptional service and value to our clientele by harnessing our knowledge in customs regulations, innovative technology, and strategic insights. Through a holistic range of solutions and an unwavering commitment to excellence, we endeavor to enhance customs strategies, guarantee regulatory adherence, and facilitate sustainable growth and prosperity for enterprises on a global scale.

Our Program

Baryk Partners offers two specialized programs designed to cater to the varied requirements of businesses involved in customs and trade compliance: Customs Interim Management (CIM) and the Customs Training Program (CTP). Engaging with CIM and CTP empowers businesses with customized solutions that directly target their unique challenges and goals. Whether through expert interim management or extensive training initiatives, Baryk Partners is dedicated to aiding businesses in attaining enduring growth and prosperity in the ever-evolving global customs compliance landscape.

Customs Interim Management (CIM)

Customs Training Program (CTP)

Customs Interim Management

Key Components of CIM:

1. Assessment and Planning: Evaluate client's needs and create a tailored plan.
2. Deployment of Interim Manager: Assign a customs professional to lead and provide expertise.
3. Integration and Collaboration: Work with client's team to align customs strategies with business goals.
4. Regulatory Compliance and Risk Management: Ensure compliance with laws, manage risks, and prevent disruptions.
5. Operational Optimization: Identify areas for improvement, streamline processes, and enhance performance.
6. Knowledge Transfer and Transition: Share knowledge with client's team and plan for sustained improvements post-engagement.

Benefits of CIM:

- Specialized Expertise
- Flexibility
- Objective Perspective
- Regulatory Compliance
- Operational Efficiency

Customs Training Program

Key Components of CTP:

1. Needs Assessment and Customization: Tailored training based on client-specific challenges and compliance requirements.
2. Module Selection: Modular sessions covering customs compliance, import/export regulations, and trade facilitation.
3. Delivery Options: Public or in-house training sessions with expert facilitation.
4. Expert Facilitation: Sessions led by experienced customs professionals using various teaching methods.
5. Practical Application: Encourages applying learning to real-world scenarios.
6. HRDCorp Claimable: Eligible for HRDCorp claims to offset training costs.
7. Post-Training Support: Participants receive ongoing support from Baryk Partners' experts after completing the program.

Benefits of CTP:

- Tailored Solutions
- Flexible Delivery Options
- Experienced Facilitation
- Practical Application
- Government Funding Eligibility

Our Upcoming Project

CustomsFront represents the next frontier in customs compliance management, poised to revolutionize how businesses navigate the complexities of international trade regulations. Developed by Baryk Partners, CustomsFront is a cutting-edge compliance data management system (CDMS) designed to optimize customs strategies, ensure regulatory compliance, and enhance operational efficiency for businesses engaged in import and export activities.

Key Features:

Regulatory
Updates and
Alerts

AI-Driven
Insights and
Forecast

Customs and

Our Founding Fathers

BADWI@BARY

Managing Partner (Customs)

Badwi is an experienced professional in customs regulation and trade compliance, whom is the former Customs Superintendent. His expertise is demonstrated through completion of relevant courses and strategic roles in customs enforcement and planning. He provides transformative solutions for businesses in international trade, leveraging his skills and compliance knowledge.

ZAHIR@JAHIRI

Managing Partner (Blockchain)

Zahir, an IT Support Specialist, excels in efficiently resolving technical issues for Korean users using tools like Active Directory and Azure admin tools. He prioritizes teamwork, communicates effectively in English and Korean, and has foundational full-stack development knowledge from a MERN bootcamp, making him a valuable asset in IT support and development.
